DESKING THAT
GETS YOU

Your Desk, Your Way

Your organization has a unified purpose, shouldn't it have a unified look? Voi desking offers desks and storage solutions for every application—private offices, semi-private offices, open plan, collaborative , and more—while presenting an integrated design for the entire workplace. The layered worksurfaces, practical storage components, mixed materials and versatile footprints can be customized to achieve the perfect mix of functionality and style. Voi boasts an efficient offering that is also easy to specify, order and install. Select the durable, attractive top-grade laminate or the rich, lustrous wood veneer finishes, which both feature HON quality construction to ensure that your investment will pay off for years to come.

A

Voi GETS YOU ACCESSIBLE
Semi-private Voi configurations use a single architectural wall for storage and power.
Voi GETS YOU MULTI-TASKING
It combines with Accelerate™ or Abound® workstations in offices with open floorplans.

THE WAYS WE WORK

Voi's selection of worksurface shapes and storage options come together cleverly to support the variety of work tasks people need to compete. Do you need to set the stage for collaboration? Establish the appropriate tone for meeting with clients? Use open space more efficiently? Voi makes it all possible—and more.

B

PRIVATE OFFICE
Inside four walls with a door, Voi (shown in veneer) strikes the right mix of professionalism and personality for executives and managers.

C

SEMI-PRIVATE
Whether they're used by one person or shared, Voi semi-private offices (shown in veneer) are perfect for workers whose desking needs can be met in smaller footprints. In these applications, Voi uses architectural walls for power access.

THE SPACES IN YOUR SPACE

Voi's integrated design unites a workplace, bringing a variety of spaces together with a consistent style. You can easily outfit your entire facility with Voi laminate or veneer desking, including private offices, semi-private offices, benching stations, and touchdown stations. And the same kit of parts and pieces that form desks in these applications are compatible with HON's, Accelerate or Abound workstations in open plan configurations.

OPEN PLAN
Voi desking partners with Abound and Accelerate (shown) workstations to maximize space in open plan configurations. Leverage systems electrical components for a powered Voi solution.

COLLABORATIVE
Voi privacy screens and wide range of storage solutions lend a sense of personal space to collaborative areas.

TOUCHDOWN
A simple Voi configuration supports visitors, customers, and others who need a short-term home base.

LOTS OF LOOKS

Voi's light scale and clean horizontal planes create a visual language that it carries throughout a workplace. The smart selection of top shapes, supports, storage components, materials, and color combinations gives Voi the flexibility to express the right image for your organization. Conventional to contemporary, Voi is just your style.

PLENTY OF PARTICULARS

Details? Voi's got them. These thoughtfully designed, practical touches mean a lot to people—and offer opportunities to further personalize their space.

HANDLES
Voi's sleek, functional design means the options you select—right down to the storage handles—help shape its style.

MIXED MATERIALS
Blend solid or patterned laminate worksurfaces with woodgrain laminate storage fronts and metal legs and trim for a contemporary mix of materials.

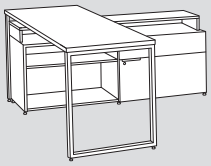
STORAGE CUBES
Brightly colored metal storage cubes help enhance organization and add a distinctive punch of personality to any space.

MODESTY PANELS
Modesty panels enhance seated privacy in Voi desks. They are available in full-height, half-height, or floating.

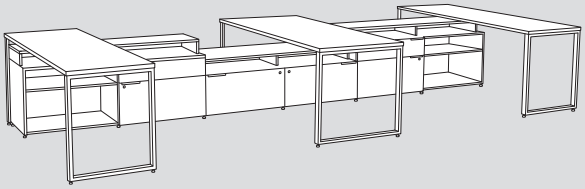
POWER AND DATA
Whether you need basic wire management for one desk or a hardwire solution to accommodate several stations, Voi puts power and data access right where it's needed.

PRIVACY SCREENS
Create visual privacy in open environments with a frosted glass or fabric-covered Voi screen, which attaches to the worksurface with Platinum brackets.

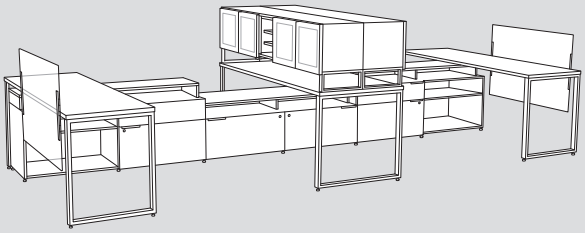
READY FOR TOMORROW



BUILD YOUR DESK
Voi's selection of integrated components lets you easily configure a workspace that suits your needs.



ADD AS NEEDED
As you grow, Voi can grow with you. Configurations are designed to expand, and power and data solutions are scalable.



FULL SPEED AHEAD
The same parts and pieces can be reconfigured and supplemented to support the evolving demands of today's office.

H

YOUR KIT OF PARTS

With a surprisingly minimal number of basic components, Voi's efficient offering can save you time and stress when selecting and purchasing office furniture. The entire line is designed to provide a range of options that are simple to specify and easy to assemble. Choose laminate or veneer, select the components needed, then add options such as privacy screens and modesty panels. And once installed, Voi components can be reconfigured easily to enable a variety of different work styles.

PRIVATE OFFICE
In conventional laminate or veneer wood finishes and configurations, Voi looks right at home in today's professional workplaces.

SMALLER FOOTPRINTS
Voi lets you conserve floor space while still providing plenty of usable worksurface area.

LAYERING WORKSURFACES
By allowing you to layer worksurfaces over shelves or storage, Voi delivers more storage options even in smaller footprints.

BOOKCASE SUPPORTS
A bookcase can be used to provide worksurface support, turning wasted space into useful storage or display space.

LESS IS SO MUCH MORE

Voi's refined scale and compact configurations allow you to enhance the efficiency of your space without sacrificing the efficiency of your people. The variety of storage options gives you more desk in the same footprint as your current desk.

LIGHT AND TOUGH

Voi may bring a lighter scale to desking, but it's built to be tough. The strong internal frame and sturdy metal-to-metal construction deliver the durability you've come to expect from HON. The top-grade laminate resists scratches, stains, and wear, and the high-quality hardwood veneer surfaces withstand heat, resist stains and scratches, and prevent surface damage. For even greater confidence, Voi is covered by HON Full Lifetime Warranty.
