TABLES FOR TODAY'S ACTIVE SPACES

ARRANGE WITH CONFIDENCE

Today's workers are attracted to places away from their workstation, whether it's a formal meeting space or a casual open area. To maintain productivity throughout the office, people need worksurface space to take notes, as well as the ability to power up and stay connected. Arrange tables are available in three different sizes — seated, café and counter height — to support a variety of spaces and applications. The collection also addresses the needs of business owners by providing the flexibility to blend seamlessly with other HON products, such as Accommodate™, Ignition®, Motivate® and Flock® seating. Create any desired configuration, then rearrange quickly as needed.
