Workstations

ELEVATE YOUR  
EXPECTATIONS

## Setting a Higher Standard

Greater flexibility. Higher quality. Smarter technology. Abound offers all that and more to deliver high-performance workspaces. Every component is designed with the other in mind, allowing the entire collection to work together seamlessly to maximize planning options. Exacting construction and sturdy materials provide rock-solid durability and keep Abound working hard and looking good for years to come. Even the electrical and data cabling was designed to offer greater capacity, faster installation and easier reconfiguration. By setting a higher standard today, Abound makes it easy to be ready for tomorrow.

**BRING THE OUTSIDE IN**

Studies show that access to natural light boosts morale and increases productivity. Abound frameless glass tiles provide access to natural light, while defining personal space and creating clear sightlines.

## SPACES THAT PERFORM

From reception areas and open environments to teaming spaces and private offices, Abound's mixed materials, tiles and finishes complement any existing décor and create a unified aesthetic. Straight lines, crisp edges, and rectilinear worksurfaces fit precisely together to create a tailored, architectural presence. With a variety of layout options and compatibility with HON storage and freestanding desks, the options with Abound are endless.

**FEWER PARTS. MORE OPTIONS.**  
Abound not only works everywhere, it's easy to install anywhere. With a minimal kit of parts and intuitive universal connectors, Abound can be specified, ordered, installed and reconfigured quickly.

B

C

**PERSONAL SPACE**  
Abound panels stack 110" high to support visual privacy and concentration.

D

**TEAMING WORKSTATION**  
Balance collaboration and privacy with shared worksurfaces and panel dividers.

E

**RECEPTION AREA**  
Welcome visitors while keeping private work neatly concealed and organized.

## UNIQUELY YOU

Regardless of your style, Abound allows you to express it with a mix of tiles, materials, and finishes. Combine tiles to make your office look and work just the way you want. Corporate or casual, relaxed or refined...your image options are endless. So get organized, enhance communication, boost privacy, support technology, open things up, make a statement: Abound does it all.

#### TILES

Ready for a new look? You can easily switch out tiles to achieve different aesthetic or functional goals. Tiles can be placed in interchangeable positions up and down a panel frame.

#### STORAGE

Factory-assembled overhead cabinets and modular storage components are easy to install and allow everyone to customize their storage around their specific needs.

#### ORGANIZATION

Keep everything neatly tucked away with a variety of organizational tools, including paper management solutions, folder bins, CD holders, and more.

#### POWER UP

Position power and data outlets at the desktop, panel base, or both. Lay-in capabilities—electrical and data in the baserail or data in the top channel—expand cabling capacity and make reconfigurations easy.

## **MILES OF TILES**

Support all the various work styles of an entire office with a range of tile options, materials and fabrics. Panels stack up to 110" high, for practically unlimited expansion. Tiles can be placed in interchangeable positions up and down a panel frame, for greater design flexibility. The selection accommodates any vision—and practically any budget.

**FABRIC**  
Tackable and acoustical, powered or not.

**FROSTED GLASS**  
Welcome light into the work area while offering increased privacy.

**CLEAR GLASS**  
Increase access to natural light and views.

**PLAINS**  
Evoke nature with a fluid, organic pattern.

**SLOTTED TOOL**  
Metal accessories can be painted to coordinate with panels.

**MARKERBOARD**  
This magnetic tile is a great communication tool.

**HARD-SURFACE**  
Easily wipe clean in high-traffic areas, or add the warmth of woodgrain.

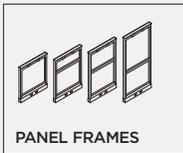

**FRAMELESS GLASS TILE**  
Provide access to natural light and create clear sightlines.
