MIX COMPONENTS. MATCH YOUR NEEDS.

Achieve the exact look and functionality you desire by selecting any number or type of modular cabinets and counter top sizes. Base cabinets with drawers hold coffee supplies, silverware, and condiments, while units with hinged doors accommodate trash or recycling bins. All base units are 18" or 36" wide, and seamless counter tops are available in widths of 36", 54", 72" and 90" to fit any space.

36" SPACE

Maximize storage in small spaces with two above and below counter cabinets.

54" SPACE

Expand the serving area and storage space with three above and below counter cabinets.

72" SPACE

This four cabinet arrangement includes a four-drawer base cabinet that is ideal for storing utensils and supplies.
