10700 SERIES

Laminate Desking

ICONIC DESIGN.
LASTING PERFORMANCE.

All-Around Performance

The iconic 10700 Series accommodates practically any work style, with a comprehensive offering that works seamlessly together to create one smart solution. It makes a lasting impression with contoured solid wood accents, gentle waterfall-shaped edges, and intelligent storage solutions. Whatever the desired style, finish or functionality, the 10700 Series is a perfect fit for every space from the private office to the reception area.

PRACTICAL FUNCTIONALITY

The versatile 10700 Series enables a virtually endless number of layout configurations. The contract-grade, high-pressure laminate provides superior resistance to scratches, stains, and spills, and the solid inner-frame construction provides years of durable performance.

D

EVERYTHING IN ITS RIGHT PLACE

Storage space is at a premium these days. Fortunately, the 10700 Series makes the most of it with a variety of flexible storage options that work well together. This gives everyone exactly what they need, and supports the way each person prefers to work.

F

STORAGE OPTIONS

Regardless of the storage need, the 10700 Series provides the ideal solution. Storage cabinets, modular storage and mobile pedestals allow users to personalize their space. Lateral files and bookcases help organize business materials and display personal items.
