Foundation™

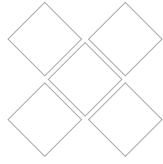

THE BUILDING BLOCKS OF BUSINESS

BUILT ON COMMON SENSE

Elbow room so you can spread out. A place to stash that coveted stapler. What else do you need to finish the mother of all projects? Foundation gives everyone the building blocks they need to personalize their space.

WORK / LIFE BALANCE ...SOLVED

Private offices with all the amenities. Open workstations that balance collaboration with personal selection. Meeting spaces that range from “got a minute” to got to make an impression. Foundation does it all, so you can focus on making that 5:30 soccer game.

SIMPLE NEVER LOOKED SO GOOD

Nobody knows exactly what you want, so we made Foundation whatever you need it to be. Storage to keep whatever you need nearby. Wood finishes that just work. Cool accents to jazz things up. Foundation is just the right mix of no frills, no headaches.
