MAVERICK SERIES

customdesign

Today's office environments require bold applications to efficiently intergrate employee and office space. OUR ability to custom design your office furniture to facilitate interaction between employees is second to none. At Maverick... **If you can draw it, We can make it!**

We use the GIZA/CAP system for allowing our partners to help you design your space and give us a solid blueprint for just how you want your space to look.

Utilizing the manufacturers listed we have access to thousands of laminate color combinations to meet any custom design.
