

Impulse G2

Articulate your style

Whatever your footprint, purpose and budget, Impulse G2 offers a comprehensive product selection to articulate your style from sophisticated classic to sleek modern design. Multiple options and diverse capabilities let you create product configurations to optimize each office. All this, plus the fine wood craftsmanship at the heart of making great spaces for you.

Height-adjustable, free standing table desk

Frosted glass door insert

Tackboard with toolbar

Freedom of choice

Height adjustability provides the freedom of choice to change postures throughout the day. Impulse G2 offers height-adjustable desks, worktables, bridges and returns so you can work in the most comfortable sitting or standing position.

Personal support

Impulse G2 provides an ample range of storage components that can be configured to support each person and complement each space. Modesty panel and door options, including a variety of wood, painted or frosted selections, bring personalization to desks, peninsula tables and organizers.

Charging drawer option

Thought starters

OFS Design Studio

The OFS Design Studio represents a collaborative effort of dynamic backgrounds and geographic origins among industrial design and engineering teammates with one thing in mind...people. Pencil sketches, 3D printed parts and rough prototypes serve

as the journey to fine tune the last 10% so that people can feel the difference between good design and great design. Our goal is to deliver design value in a very intentional way where products are simple, personal and purposeful.
