Preside[®]

Tables

Where people and ideas connect.

Inspired Performance

Whether you're craving social interaction or breaking away for some "me time", Preside tables support the work activities you need to get it done. Versatile enough for touchdown spaces, meeting rooms, and even cafés, Preside offers everything from a contemporary, light-scale vibe to a more classic aesthetic. Add in optional power for a dynamic table collection that lets you work your way.

Conference Rooms

Exceeding Expectations

Not all meetings are created equal. Some require added attention to leave a lasting impression. Preside integrates power, technology, and storage to enrich the user experience and ensure effective communication. When used together, the Preside series creates spaces where people can present comfortably.

Shown with Motivate® and Flock® seating.

Café & Commons

Socially Adjusted

Relationships are key when it comes to getting things done. To foster more social connection and interaction, Preside offers a wide array of table heights, sizes, and shapes for multiple layout options. And with highly durable, cleanable table surfaces, Preside makes a lasting impression.

Touchdown Spaces

Inviting Ideas

When it comes to that “aha” moment, sometimes you need a change of scenery to gain new perspective. Other times, it comes from a few heads being better than one. Whether it’s for a quick getaway or a spontaneous meeting, Preside tables create the perfect settings for people to focus or engage with others.

Creative Space

Empower Doers

Bring ideas to life wherever they happen with Preside mobile collaborative tables that are available in seated- or standing-height options. A pop of color sparks inspiration while butcher block or laminate worksurfaces let you tinker and experiment.

Small Conference

Shown with Ignition® seating and 10500 Series™ desk.

Gather Round

Small spaces can still offer big productivity. For private offices and more compressed footprints, stay connected with Preside tables that are designed for more one-on-one interactions. Convenient capabilities like cord management and power access help keep everyone on task.

Features

From individual to collaborative work in private or social spaces, Preside delivers a comprehensive selection of table shapes, sizes, and capabilities to advance your most inspired work.

SO LONG LIMITATIONS

Go long with two-piece tops or even longer with modular tops that can be extended to any length you need. Support the need for smaller tables by selecting single tops.

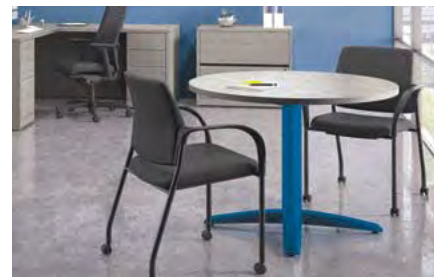

THE PERFECT MATCH

No matter the type, size, or look of the space—Preside fits right in with edge and finish options to coordinate.

THE TOTAL PACKAGE

Conference solution includes a lectern, credenza, and presentation cabinet with tackboard, whiteboard, and notepad.

BOLD EXPRESSION

Add a splash of color to all metal bases with Colorwav accent paints.

MAKE A POWER PLAY

Power is easy to access with flip-top and built in ports. Optional wireless charging is an added bonus.

GETTING A LEG UP

Angled leg option provides concealed cord management in a light-scale look.

TECH SAVVY

Easy-to-access wire management bases are available in multiple base options.
